PETITION UNDER 37CFR1.181

United States Patent & Trademark Office  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Commissioner,

We request a revised patent term adjustment for the patent to issue on this application. The Determination of Patent Term Extension dated Jun 27, 2006 does not appear to take into consideration the entirety of administrative delays to which this application was subject. For example, claims were in condition for allowance for almost four years, but the application was suspended through no fault of applicants until Jun 27, 2006 because of a potential interference.

Respectfully submitted,
